

Recruitment Companies – Your own branded CV that stands out from the rest

If you could immediately identify the perfect candidate for every position, without trawling through a never-ending stream of CVs, how much more efficient would your business be?

With features that will change the way the recruitment industry operates, Innovate CV is designed to deliver increased placements, market share and profitability.

Innovate CV is a next generation interactive CV platform that will:

- Enhance client and candidate experience and loyalty
- Allow you to make better judgments on candidates – and fast
- Seamlessly work within your existing IT platform and under your own brand

As you watch the pile of CVs stack up, why not see how Innovate CV can deliver dynamic results to your business. To find out how visit www.innovatecv.com/recruiter or call Daniella Winton on **0845 460 4613**
